
Fracture Fest Auckland 2026 PROGRAMME

Building Bridges: Strengthening FLS Connections

Marion Davis Library, Auckland City Hospital

Day 1: Thursday 21st May 0900-1545	Education / Learning Day
0830	**Registration and Networking** Arrival, sign-in, coffee and an opportunity to reconnect with colleagues from around the country.
0855	**Welcome -** Amanda Welch, NZFFR Manager & Dr Frazer Anderson, Geriatrician & NZFFR Clinical Lead
0900	**ACC Welcome -** Paul Kennedy, Manager Prevention Outcomes & Delivery, Injury Prevention, ACC Paul Kennedy will welcome attendees on behalf of ACC and acknowledge the significant progress made by fracture prevention services across New Zealand. The session will recognise the collective efforts that have positioned New Zealand as a leading example of Fracture Liaison Service development internationally, and reflect on the value of collaboration across the sector.
0915	**Towards Excellence: 2026 ANZFFR Annual Report -** Dr Frazer Anderson A review of key findings from the 2026 ANZFFR Annual Report, including national trends, performance highlights, opportunities for improvement, and how services can use benchmarking data to support local quality initiatives and patient outcomes.
0945	**Treatment Recommendation and Treatment Commencement - Building Your Bridge -** Harminder Gill, ONZ CNS Quality Improvement Regional teams will work together in an interactive improvement-focused session aimed at identifying gaps in service delivery, and building practical strategies to enhance FLS and FFR programmes. Discussions will centre on turning insights from data into action and strengthening multidisciplinary collaboration across services.
1030	**Morning Tea**
1100	**Examples of Primary Care Collaboration with our FLS Teams (MidCentral, Counties Manukau and Tairāwhiti)** - Harminder Gill Case examples and shared experiences highlighting collaboration between Fracture Liaison Services and primary care providers. Discussion will focus on communication pathways, shared care approaches, and opportunities to strengthen long-term osteoporosis management in the community.
1130	**All Things Registry and Data -** Stewart Fleming, WebMaster, Operait & Amanda Welch A review of the year in Registry and data management, including key achievements, lessons learned, and challenges encountered — including record locking. The session will also provide an opportunity for discussion, feedback, and ideas for future improvements and developments.
1215	**Case Study Discussion -** Dr Frazer Anderson Interactive multidisciplinary case discussions exploring real-world fracture prevention and post-fracture care scenarios. Participants will be encouraged to share perspectives, discuss challenges, and identify best-practice approaches.

ANZFFR Australian & New Zealand Fragility Fracture Registry

Osteoporosis New Zealand — Better bones, fewer fractures

Live Stronger for Longer — Prevent Falls & Fractures

ACC — He Kaupare. He Manaaki. He Whakaora. prevention. care. recovery.

Health New Zealand Te Whatu Ora

1300	**Lunch**
1400	**Clinical Programme Manager Survey Findings -** Kat Jackson, ONZ Clinical Programme Manager An introduction to ONZ's new Clinical Programme Manager, Kat Jackson, followed by presentation of survey findings gathered during her first weeks in the role. The session will highlight what is working well across FLS services, shared challenges, opportunities for improvement, and ideas to help shape future support and programme development across the sector.
1420	**WOD 2026 National Messaging Discussion -** John Mulka, ONZ Executive Director & Harminder Gill Collaborative discussion session to develop aligned messaging and communication priorities for World Osteoporosis Day on 20 October 2026. Participants will contribute ideas for national advocacy, awareness raising, and coordinated engagement activities.
1500	**IOF Capture the Fracture® Best Practice Recognition Presentation** The International Osteoporosis Foundation (IOF) Capture the Fracture® Best Practice Recognition Programme is internationally recognised as the gold standard for secondary fracture prevention services. IOF accreditation acknowledges Fracture Liaison Services (FLS) delivering coordinated, evidence-based care aligned with global best practice standards. This presentation will recognise New Zealand FLS teams that have achieved IOF Best Practice Recognition and celebrate the collective commitment, collaboration, and leadership that continue to position New Zealand as a global leader in fragility fracture prevention and osteoporosis care.
