

ANZFFR 2024

Fracture Fest- Education Day

Thursday 9th & Friday 10th May

Room 310, The Manawa Building, Oxford Terrace,

Christchurch Hospital

“FLS and the older adult”

ANZFFR data shows 57% of our patients are over 75 years old

Who should attend?

All staff working in Fracture Liaison Services.

Thurs 9th May 9am-4pm - education/learning day

Friday 10th May 9am- 1pm-FLNNZ AGM, Clinical Lead and Admin sessions and workshops

A great chance to network and share with other Fracture Liaison Services, discussion of the first ANZFFR annual report-what the data tells us, treat or not to treat debate, case study reviews and much more to support our older adult patients.
